

1600C - Cast Iron Stove

Heating up to 1,500 sq. ft.

Fine, solid European cast iron design and Napoleon's advanced wood burning technology transform small amounts of wood into large amounts of cozy heat, easily sustaining overnight burns. The EPA certified 1600C is available in porcelain enamel Majolica brown or painted metallic black finishes. The 1600C features elegantly arched Early American double doors that open fully, almost flush to the sides with concealed hinges and is convertible from top to rear vent for easy loading and installation flexibility. A beautiful investment for any room!
