

GDIZC Direct Vent Gas Insert

Smallest Fireplace Opening, Large Viewing Area

The multi-level advanced burner technology of the GDIZC produces beautiful, realistic YELLOW DANCING FLAMES® and the exclusive PHAZER® log set and charcoal ember bed are so realistic, they will be mistaken for a real wood fire. This award winning fireplace insert is designed to fit the smallest fireplace openings but offers a large, 400 square inch ceramic glass viewing area. The GDIZC comes complete with a heat activated variable speed blower system making it the perfect gas fireplace insert for any room in your home.
