

XIR4 Direct Vent Gas Insert

Stunning Triple Flame Pattern

Napoleon's XIR4 features Napoleon's advanced infrared technology (see page 21) and flame modulation. The XIR4 gas insert offers a modulating dual burner system that results in a firebox filled with a stunning triple flame pattern. The XIR4 features cost saving benefits of Zone Heating plus the benefit of replacing an old drafty masonry fireplace with efficient, warm, glowing YELLOW DANCING FLAMES[®]. A multitude of designer options are available to create the exact statement you have been looking for.

XIR4

Up to 40,000 BTU's
